THE OFFICIAL NEWSLETTER OF THE DEPARTMENT OF TRADE AND INDUSTRY - LEYTE

## *DTI Leyte's 2019 Scorecard targets 6,250 MSMEs, 50% of 12,500 eyed businesses in Eastern Visayas Region.*

### *1,920 ME's in 4th to 6th Class LGUs in Leyte to benefit Negosyo Serbisyo sa Barangay*

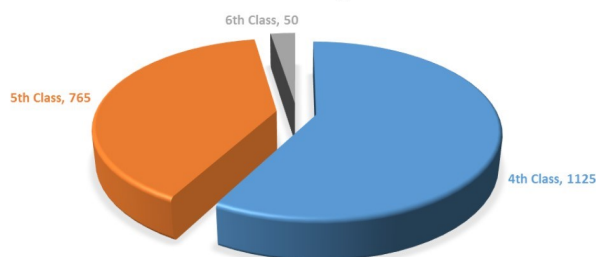

With the recent DTI 8 Regional Management Committee (MANCOM) Meeting held last February 18, 2019, DTI Leyte Provincial Office finalized its target for the year of which 6,250 Micro Small and Medium Enterprises (MSMEs) are expected to benefit from the various programs, projects, activities and services of DTI. This is 50% of the Total Regional target of 12,500. Of the 6,250 MSMEs, 4,375 or 70% will be assisted under the seven priority industries of Leyte: Coco Coir, Cacao, Coffee, Processed Fruits and Nuts, other Processed Food, Housewares and Wearables, and Furniture.

These entrepreneurs will be assisted through the 33 Negosyo Centers in the Province of Leyte with the following services: Business Registration, Business Advisory, Business Information and Advocacy Services, and Business Consultancy services.

One major breakthrough for this year is the implementation of the *Negosyo Serbisyo sa Barangay* which aims to service barangays in the 4th to 6th

### Negosyo Serbisyo sa Barangay

2019 Target

LGU Class	No. of LGUs covered	No. of Barangays covered	No. of Target MSMEs to be assisted	%
4th	13	75	1,125	58%
5th	10	51	765	40%
6th	1	2	50	2%
<b>Total</b>	<b>24</b>	<b>128</b>	<b>1,920</b>	<b>100%</b>

Class Municipalities in Leyte. The office will initially cover 128 barangays from 24 LGUs and is expected to assist 1,920 MSMEs. *DPB/dmq*

# NEWS

*Php13M Leyte Fabrication Lab launched...(continued from page 1)*

DTI Leyte PD Belas, Jr. gave the overview of the Fabrication Laboratory SSF. He shared the SSF program implementation in Leyte saying there are already 35 SSFs in the province valuing a total of Php 63.8 Million. He emphasized that DTI Leyte commits itself to continuously support these facilities to become sustainable for the benefit of micro entrepreneurs in the province. Videos of the Pandan Bag Making and Dairy Food Processing SSFs were shown to highlight their successful operations and impacts to micro enterprises/beneficiaries.

A Usufruct Agreement was signed between DTI Leyte PD Ed Belas and Executive Director Lilia Habacon, witnessed by Director Reynaldo Garnace. It was followed with the Ribbon Cutting attended by representatives from the DTI Regional Office, Officials of the PSHS System, participants and guests. FABLAB equipment were demonstrated and MSMEs saw for themselves how the equipment work.

Being the very first fabrication laboratory in Eastern Visayas, the PSHS Fab Lab SSF will be a hub where both scholars and MSMEs can create innovative products and product packaging. This will help promote a competitive business landscape in Leyte and even in the region. ###DPB/dmq

## DTI Leyte gears up for ISO Internal Audit in Quality Management System Review

Presentation and critiquing of Action Plans of the five process flows for ISO 9001:2015 Certification

DTI Leyte Provincial Office conducted its second Provincial Quality Management Review last February 14 to 15, 2019 at the Training Center of Negosyo Center Palo in Palo, Leyte in preparation for the Internal Audit scheduled this April 2019.

Status updates on the ONE DTI Quality Management System implementation of the five process flows registered for ISO Certification and its action plans were presented by the DTI Leyte QMS Team. Internal Quality Auditor (IQA) STIDS Candalaria Duavis & TIDA Nathanael M. Dominguez presented the Action Plan for Business Name Registration, IQA TIDS Artemio T. Almazan III for the Barangay Micro-Business Enterprises (BMBE) Certification, IQA STIDS Rebecca T. Cormanes for Business Consultancy Services, IQA STIDS Virgilio A. Bonjoc, Jr. for Conduct of Training, and Deputy Document Control Officer STIDS Anna Eunice Alejandre for the Provision of Trade and Industry Information.

The action plans presented were critiqued by DTI Leyte PD Ed Belas, Jr., Business Development Division OIC Ernesto B. Montes, Jr. and CPD Chief Araceli D. Larraga.

“Each step of the process flow should be fully documented and process owners should be ready to present the necessary records and documents during the Internal Audit.” says PD Belas. ###
