DEPARTMENT ADMINISTRATIVE ORDER
 NO. 5
 SERIES OF 1987

SUBJECT: Standardization of Ballasts for High Pressure Mercury Vapor Lamps

 In accordance with the provisions of Executive Order No. 133, series of 1987, Sections 3 and 4(a) of R.A. No. 4109, the standardization of ballasts for high pressure mercury vapor lamps is hereby promulgated for the information and guidance of all concerned.

1. NATIONAL STANDARD - The Philippine National Standard Specification for Ballasts for High Pressure Mercury Vapor Lamps, PNS 105:1986, is hereby established as the national standard and shall prevail at all times.
2. COMPLIANCE - All manufacturers, distributors, traders, importers and sellers of ballasts for high pressure mercury vapor lamps shall comply with all the requirements of said national standard.
3. IMPLEMENTING GUIDELINES - The Bureau of Product Standards shall promulgate implementing guidelines for the said standard.
4. CERTIFICATION - A third party certification known as PS Certification Mark shall be obtained from the Bureau of Product Standards (BPS) by all manufacturers concerned. Importers of ballasts for high pressure mercury vapor lamps shall acquire a commodity clearance from the BPS. All manufacturers and importers shall be qualified and listed by BPS which will be published for the information of the public.
5. EFFECTIVITY - The implementation of the standard shall take effect fifteen days after its publication in the Official Gazette or its announcement in any newspaper of general circulation.
