WHAT IS “NEGOSYO SERBISYO SA BARANGAY”

The DTI provides business development services through Negosyo Centers established in provinces, cities and municipalities, pursuant to the Go Negosyo Act (RA No. 10644).

In partnership with national government agencies, local government units, academe, non-government organizations, and private sector, Negosyo Centers promote ease of doing business and provide access to development services for Micro, Small and Medium Enterprises (MSMEs) through Business Counsellors in their area of responsibility.

“Negosyo Serbisyo sa Barangay” allows a wider reach of business development assistance by bringing government services closer to the people through partnerships between relevant local government units and DTI officials. Through Barangay Development Councils (BDC), the DTI shall help capacitate Barangay personnel to provide basic business advisory or information dissemination services to MSMEs in the locality.
