DTI HOLDS NC BC GENERAL ASSEMBLY 2020 STRATEGIC PLANNING FOR ISO 9001:2015

4TH SSF SUMMIT HELD

### From page 1...Tarlac MSMEs

With the help of the Department of Trade and Industry Region III, the Provincial Government of Tarlac and the Center for International Trade and Mission (CITEM), eight promising micro small and medium entrepreneurs (MSMEs) from the province of Tarlac recently made an impact at the famous Ambiente Trade Show 2020 in Frankfurt, Germany.

The eight participating exhibitors who were invited to join the trade show had an initial booked and negotiated sales of Php 15.17 Million pesos for the fair, a significant amount for just one week of exposure in the trade show. Regional Director Judith P. Angeles, head of the delegation, said that the Filipino exhibitors from Central Luzon got the nod of foreign buyers because of the quality and workmanship of the products brought at the exhibit. She noted that the Tarlac MSMEs assisted by DTI were able to offer their products to at least 68 foreign buyers. In total, the Tarlac MSMEs booked a total sales of \$ 17,500 while sales under negotiation amounted to \$ 522,992.

The event was held from February 4 to 11, 2020 at the Messe Exhibit Hall in Frankfurt, Germany. The Ambiente Trade Show is generally considered as one of the world's leading international trade show for the consumer goods industry from the global market spectrum to industry trends and future visions. The great number of buyers makes it even more attractive. The eight (8) participants are Red Slab Pottery, PumiceUnlimited Ventures, Woodinspirations, Betiscrafts, Pascasio Pottery, Northshine Enterprises, Southeast Metroarts and Oricon Enterprises. Five of the eight participant MSMEs joined the fair for the first time. Products on display at the fair include wall decors, furniture, pottery, lanterns and other ornaments.

The provincial government of Tarlac, through the DTI, has assisted MSMEs in participating in international trade fairs to help promote locally made products. Through the help of DTI and CITEM, eight(8) MSMEs joined the International Furniture Fair Tokyo in Japan in 2017. In 2018, six (6) MSMEs joined the CAEXPO in China, while eight MSMEs joined the IFFT in that year. In the last two years, three MSMEs subsidized by DTI regularly participated at the Ambiente. Because of the good results from these fairS, DTI Tarlac and the provincial government of Tarlac initiated the talks with CITEM for the province to be featured in the Philipping Pavilian at the Ambiente 2020.

# DTI turns over PhP 8.7 M worth of equipment to Bulacan cooperators

by: Mary Grace S. Reyes

The Department of Trade & Industry Bulacan Provincial Office recently turned-over P8.7 million worth of Shared Service Facilities to seven (7) cooperators namely: Bagong Barrio MPC (SSF for Computerized Embroidery Machine), Casechcom MPC (SSF for Food Processing), Luzon Dairy Cooperative (SSF for Dairy Processing), Meycauayan Jewelry Industry Association (SSF for Fashion Accessories/Jewelry Making), San Francisco MPC (SSF for Food Processing), San Miguel Waterlily Producers Association (SSF for Water Hyacinth Products Processing) and Sta. Maria Dairy MPC- Division of Catmon MPC (SSF for Dairy Processing).

Under the SSF project, the qualified cooperators under the identified industry clusters were provided with processing or manufacturing equipment for the common use by MSMEs. The equipment will remain under the ownership of DTI until the end of the agreement and until the cooperator or the beneficiaries have proven that they can sustainably manage and operate the facility in accordance with the objectives of the project. According to DTI Regional Director Judith P. Angeles, she is very happy that after 6 years, DTI will now turn over full ownership of the machineries to the 7 cooperators through donation. She also mentioned the marketdriven industries that were developed through the 7 SSF projects such as, processed food, dairy, garments, and jewelry industry.

A total of 15 SSF projects worth P12.4 million have now been turned over to the different cooperatives and associations in the province since 2019.

### **CMCI** briefing held in Aurora

by : DTI Aurora

The Department of Trade and Industry-Aurora Provincial Office, in its move to level up the capacities of the Local Government Units (LGUs) in the province for better improved rankings on the Competitiveness Index, partnered with the Provincial Planning and Development Office and Investment Promotion Office in the conduct Cities of **Municipalities** and **Competitiveness Index Orientation Briefing** on March 10, 2020 at the Investment Promotion Office in Baler, Aurora. The orientation activity, which was attended by Local Government Units (LGUs ) all Business Licensing, Investment Promotion and Municipal Planning and Development officers, served as an appropriate venue to inform LGUs on their recent rankings in the CMCI pillars on Economic Dynamism, Infrastructure, Government Efficiency and Resiliency. The briefing was facilitated by Barry Pangilinan of the Industry Development Division of the DTI Regional Office 3. He was accompanied by Rona Dizon of the Central Luzon Growth Corridor Foundation, Inc. Mr. Pangilinan raised the concern on the need for LGUs to keep their data on track for better data capture.

As relayed, most LGUs failed in the local data capture. This meant that data are either lacking, not available at the time of survey or there was no available data. The LGUs' lapses are basically on understanding the question and the manner of providing the data to the questions being asked. There were many errors in filling up of the data due to misrepresentation and lack of understanding of the definitions. An open forum followed the presentation of list of indicators that matter in the CMCI rankings. There were issues raised on how to treat the data. The manner and capacity to answer every question in the questionnaire really has impact on the evaluation and scoring. Thus, each LGU was advised on how to deal with data and most importantly, the building of data inventory by LGUs was given utmost attention.

### 5th Moringa Festival held in Nampicuan

by: DTI Nueva Ecija

On its 5th year, the Moringa Festival was held in Nampicuan from March 8-10, 2020. Initiated by the Department of Trade and Industry – Nueva Ecija, in partnership with the Local Government Unit of Nampicuan, the fair was meant to highlight products of MSMEs in Nampicuan that incorporated "Moringa" or "Malunggay" where said vegetable is abundant in the locality.

Over the years, MSMEs from other nearby municipalities such as Cuyapo and Guimba are also invited as exhibitors to provide variety of products. This year, the Moringa Fair 2020 was participated in by 20 MSMEs, eight from which came from Nampicuan, 93 from Cuyapo and the rest from other municipalities such as Guimba, Talavera, Llanera, San Jose City and Cabanatuan City. Products on sale included mushroom chips, banana chips, native "kakanin", veggie noodles, processed carabao's milk, dried fish, herbal supplements, chili sauce, vinegar, home decors, footwear, succulents, handicrafts, and more. The total cash sales for the 3-day fair amounted to P 88,664, 53% of which are on food and the rest on non-food. The fair was held along the Nampicuan road in front of the municipal hall and the OTOP Pasalubong Center and Negosyo Center.

The formal opening of the fair was held on March 9 at 10:00 in the morning. Leading the ribbon cutting ceremony was Mayor Victor Badar and assisted by PD Brigida Pili of DTI-Nueva Ecija and other department heads. Witnessing the ribbon cutting were BDD associates from DTI-Nueva Ecija headed by DC Richard Simangan, faculty of Nampicuan National High School, MSME exhibitors, employees of LGU Nampicuan and residents. Adding color and excitement to the opening of the fair was the street dancing performed by students of the Nampicuan National High School.
