Through: Ms. Rosemae M. Quinanola
Quality Management Representative

Dear Director Caberte,

Certification to ISO 9001:2015

The certification of your quality management system (QMS) to ISO 9001:2015 is hereby approved by Certification International Philippines, Inc. This confirmation was based on the results of the follow-up audit of your QMS on 10-11 April 2018. The effective implementation of the improvement action on report Team-01 will be verified on the third surveillance/reassessment audit.

The audit found your QMS maintained in accordance with the requirements of ISO 9001:2015. It reported the strengths of your QMS and the activities that have been initiated by your different departments to meet their quality objectives, ensure external and internal customer satisfaction.

Finally, we encourage your management team to consider the opportunities for continual improvement that were discussed during the audit. We anticipate that your appropriate actions on these would escalate the effectiveness of your QMS as a tool for continual improvements and as a guide for meeting organizational performance objectives. Subsequent audits will track the progress and results of these improvement actions.

Very truly yours,
